Dear Ms. Fript:

Re: Himco Landfill, Elkhart, Indiana  
Glascoat of Midwest

Mr. Robert J. Bowden's letter dated September 7, 1990 was received by Glascoat and forwarded to me.

We have previously advised the EPA that Glascoat sent no hazardous wastes to the Himco site. Please see my letter of June 1, 1989 to Susan Swales, 5HSM-12. Neither the EPA nor any other PRP has provided any information to Springs or Glascoat which ties Glascoat to this site.

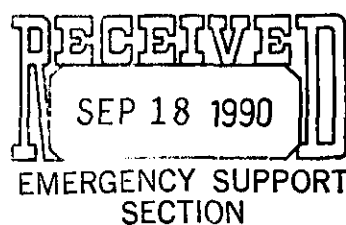

Thank you for your attention to this matter.

Sincerely,

R. Nick Odom, Jr.  
Director, Environmental Services
